

# **Solar panel for home in bihar**

## Overview

---

Is Bihar a good place to install solar panels?

Bihar is fortunate to have abundant sunshine throughout the year, making it an ideal place for installing solar systems. With the support of the government, individuals and businesses can benefit from the solar energy revolution in Bihar. On-Grid solar systems for homes in Bihar can be a good option for investment.

Does Bihar offer solar panel subsidy?

The state government, along with central initiatives, offers attractive solar panel subsidy in Bihar to encourage residents and businesses to switch to green energy. If you're planning to install a solar panel in Bihar, this guide covers everything you need to know about subsidy schemes, benefits, and application procedures.

What are the benefits of solar panels in Bihar?

2. Bihar Renewable Energy Development Agency (BREDA) Subsidy 1. Bihar government provides subsidies for residential and commercial solar panel projects in Bihar 2. Consumers can avail up to 40% subsidy on grid-connected solar systems 3. Additional financial incentives for agricultural and industrial solar setups 3.

Is rooftop solar a good idea in Bihar?

In the past, Bihar Renewable Energy Development Agency or BREDA has run several subsidy lead programs to ensure that people are encouraged to go solar, the falling prices of solar ensure that by 2017, even without subsidy, going rooftop solar makes a lot of financial as well as environmental sense.

Are solar panels a smart investment for Bihar homes in 2025?

Long-Lasting: Panels work for 25+ years with little maintenance. A 1kW solar system is a smart investment for Bihar homes in 2025. With subsidies

covering nearly half the cost, it's affordable and pays off through savings. Go solar to enjoy cheaper bills and a cleaner future.

How much does a 1kW Solar System cost in Bihar?

Under the PM Surya Ghar Muft Bijli Yojana, the government helps you save big. The subsidy for homes in Bihar is: After the subsidy, a 1kW system costs just ₹30,000 to ₹40,000. The money is credited to your bank account after installation and inspection. To qualify, use Indian-made panels and a registered vendor.
