

Solar panel installation company logo

Overview

Who are our solar PV installers?

Our solar PV installers have accreditations and certifications with CHAS, IET, MCS, NICEIC, RECC, ISO 9001 and ISO 14001. We are fully insured for the work that we carry out, and we only work with the highest quality providers of solar panels including Canadian Solar, JA Solar Panels, Sharp, Panasonic, and more.

What is a solar panel installation company?

A business that installs solar panels is called a solar panel installation company. They provide this service as part of general residential and commercial contracting. These companies are contracted either by a homeowner, a solar panel manufacturer, or by solar marketing firms that arrange a buyer for solar panels and contract an industry enterprise to carry out the work.
