

Solar panel installation hampton

Overview

Who is the best solar company in Hampton VA?

With that in mind, here's our ranking of the top five solar companies in Hampton, VA based on ratings, reviews, and more. Nova Solar has become the most trusted name in solar for DC, Maryland, and Virginia because of our commitment to . We are a solar installation company that handles both installations and permit acquisition in-house.

How much does solar cost in Hampton VA?

The average price per watt of solar power in Hampton, VA is \$3.07/W. These prices are before incentives. After the federal solar tax credit, the final cost will drop by 30%, down to \$25,923 for a 12.05 kW system. Many states even offer local rebates and incentives that lower the price further--sometimes by thousands of dollars.

Should you hire a solar installer?

Solar is a growing industry that attracts contractors from many backgrounds—sometimes only loosely related to solar. But to feel confident in your solar panels, you'll want to work with an installer that has plenty of experience in custom designing systems.
