## Overview

---

Where are solar panels installed in Ontario?

This part of Ontario has a dear part of our hearts, being so close to the Lake, between Hamilton and Toronto where we spend much of our time supplying and installing solar panels for large corporations, small businesses and domestic homes. If you're in Halton Ontario and want to get started with your solar installations, get in touch with us today.

Are solar panels a good idea in Hamilton?

Solar panels in Hamilton just make sense. Hamilton is a prime candidate for solar power and it's definitely worth considering if you're looking to reduce your environmental impact and save on your electricity bill. Unfortunately, there are currently no provincial wide or local rebate programs available to residents of Hamilton.

Are there rebates for solar panels in Hamilton?

Unfortunately, there are currently no provincial wide or local rebate programs available to residents of Hamilton. However, Sunly can help you navigate the intricacies of securing a local loan for solar panels in Ontario. Please reach out for more information!.

How can solar panels help landowners in Guelph & Kitchener & Halton?

We've helped numerous landowners between Guelph, Kitchener, Hamilton and Halton reach energy independence with reliable solar panel systems and power storage so they can live off-grid. Our favorite benefit that solar panels provide is helping the environment by reducing carbon footprints and inspiring others to act.

Do solar panels make Ontario a greener place?

Once you get your solar panels installed and reap the benefits for yourself, saving money on utility bills and making Ontario a greener place, you'll see

the miracle that is sun-powered, environmentally-friendly electricity for yourself. What benefits do you get from solar panels?

How long do solar panels last in Kitchener on?

Depending on how much energy you use and how many solar panels you install, you could start seeing returns in as little as a few years. Our company is called Hamilton Solar Power, but we also serve all locations around the area, including Kitchener ON.
