

Solar panel installers reviews and complaints

Overview

What is solarreviews?

SolarReviews has both an extensive collection of unbiased consumer reviews of U.S. solar companies and an expert ranking system to help you identify the best solar panel installation companies in your area. Since 2013, our in-house solar experts and engineers have built one of the most accurate solar calculators available.

Why should I choose a local solar installer?

SolarReviews data, from tens of thousands of reviews of solar companies, shows that local, family-owned solar companies record far higher levels of client satisfaction. This is why we recommend going with a company that's local to your area rather than a nationwide installer. How can I find solar installers near me?

.

How do I choose a solar installation company?

Research solar installation companies and get multiple quotes: This process can help you get a sense for each company's options and reputation and general expectations for how much power a solar installation can produce on your home. We suggest vetting at least three solar companies, depending on the availability in your area.

What if I have problems with a solar company?

If you are having problems with a solar company, please [click here](#) for some consumer resources. Two companies in particular stand out: Vivint and SolarCity. Complaints against these two – among the largest providers – constituted nearly 56 percent of all the complaints consumers filed with the FTC about solar companies.

Should I hire a local solar installer?

If you're looking for low prices, top-notch customer service and high-quality workmanship on your solar installation, we recommend hiring a local installer.

Should consumers be worried about shoddy Solar Contractors?

The report warned consumers about shoddy solar contractors and problematic leasing arrangements, highlighting, for example, a Maryland complaint regarding an 84-year-old man who had been induced to sign a 20-year lease for solar panels. Attorneys general are also taking steps to protect consumers from rooftop solar companies.
