

# **Solar panel storage box EPC service price in Italy**

## Overview

---

What is EPC in photovoltaics?

EPC in photovoltaics is the key to unlocking the potential of solar energy: find out how ReFeel EPC can help you make a difference.

What is EPC & why is it important?

EPC (Engineering, Procurement, Construction) in the photovoltaic sector is the key to unlocking the potential of solar energy in practical, comprehensive and customised solutions.

What does an EPC contractor do?

As an EPC contractor, we take care of every aspect of the process, starting from the careful design (Engineering), through the procurement of the best components (Procurement) and culminating in the construction of the plant (Construction).
