## Overview

---

Who are the best solar companies in Huntsville AL?

According to solar shoppers on the EnergySage Marketplace, the top five solar installers in Huntsville, AL are CKR Solar, LLC, Pulse Turnkey Solutions, ReNew Solar Solutions, and The Integrity Energy Group. How many solar companies are in Huntsville, AL?

There are 4 solar companies in Huntsville, AL on the EnergySage Marketplace.

How much does solar cost in Huntsville AL?

The average price per watt of solar power in Huntsville, AL is \$3.26/W. These prices are before incentives. After the federal solar tax credit, the final cost will drop by 30%, down to \$30,124 for a 13.18 kW system. Many states even offer local rebates and incentives that lower the price further--sometimes by thousands of dollars.

Are solar incentives a good idea in Huntsville?

Solar incentives and rebates can cut the cost of installing solar in Huntsville by thousands of dollars. The most significant incentive is the 30% federal solar tax credit, available to any taxpayer in the country when they purchase solar panels or battery storage.
