Overview

How does the Halfords electric Coolbox work?

Booking system unavailable, please try again later. The Halfords 8 Litre 12V in Car Electric Coolbox is powered by a 12V in-vehicle cigarette plug and is perfect for days out and long journeys. It uses the vehicle rear seat lap belt to hold the coolbox securely in place when travelling and includes a shoulder strap to make transportation easy.

What is a Halfords 40l electric Coolbox?

Halfords camping and motoring stuff is a popular choice among outdoor enthusiasts, campers, and travelers looking for a reliable way to keep their food and beverages cool. With a reasonable capacity, versatile power options, and a decent cooling performance, the Halfords 40L Electric Coolbox offers a mix of convenience and functionality.

How many litres can a Halfords 40 litre cooler hold?

Versatile, spacious and portable, the Halfords 40 Litre Mains and 12V & 24V Electric Coolbox will help to keep your food and drink at the perfect temperature on long car journeys, staycations and camping trips. The lid design accommodates up to three 2 litre bottles and with 40L capacity this is the equivalent of 56 standard 330ml cans.

What are Halfords cool boxes?

Halfords cool boxes are the ultimate camping companions. Keep your food and drinks cool throughout your adventure. Discover our collection of useful cool bags, perfect for picnics, and explore our range of electric cool boxes, ideal for longer journeys. Build your basket and select Trade Credit at checkout.

Are Halfords coolboxes good for outdoor adventures?

At Halfords, we've got coolboxes and cool bags perfect for outdoor

adventures. Our standard coolboxes use freezer boards to keep food and drink fresh. Imagine your own camping fridge, keeping drinks cold on a hot day, or storing your food safely before you cook up a storm. They aren't the only cool box option though.

How many liters can a Halfords Coolbox hold?

Capacity and Storage With a 40-liter capacity, the Halfords Electric Coolbox offers ample space for storing a variety of items. It can comfortably accommodate up to 56 standard 330ml cans, making it ideal for group outings or extended trips.
