

Solar powered site lighting

Overview

What is commercial solar powered portable lighting?

Commercial solar powered portable lighting is an efficient way to drastically decrease electricity bills. Our 100% off-grid system helps you save big money as it does not require trenching and has low maintenance costs for temporary construction lighting. Greenshine has more than 30 years of experience in offering portable led light towers.

Are site lights a good choice?

Whether using the lights independently as overhead ambiance or connecting onto the stakes to form an illuminated tent peg, Site Lights are the perfect choice for making memories under the night sky. For every product sold, a person living in energy poverty gains access to safe lighting and charging through BioLite.

What is a mobile solar lighting tower?

The Mobile Solar Lighting Tower comes in a variety of configurations to meet your site lighting, temporary construction lighting or construction site lighting plans. Because these portable construction lights are powered by the sun, they run completely silent and create no vibration.

Where can I find more information about solar LED lighting fixtures?

Please visit our [Solar LED Lighting Fixtures](#) page for additional details and specifications. Greenshine provides solar LED light systems that meet the standard lighting requirements for public areas while avoiding the cost of installation of standard grid-powered lights.

Why should you choose a portable solar light tower?

Less maintenance means less time and money spent on temporary lighting for construction sites. Our portable solar light towers are constructed with mono-crystalline panels that are the most efficient on the market today (20% of total

possible power), surpassing poly-crystalline (rated at 15% efficiency).

How long do site lights last?

Featuring 6 hangable lights, 6 ABS stakes, and 1 charging case for storage, Site Lights illuminate any scene for up to 20 hours on a single charge. Whether using the lights independently as overhead ambiance or connecting onto the stakes to form an illuminated tent peg, Site Lights are the perfect choice for making memories under the night sky.
