

# **Solar powered tiered water fountain**

## Overview

---

Does Home Depot have a solar power birdbath fountain?

To verify or get additional information, please contact The Home Depot customer service. This outdoor solar power birdbath fountain is perfect for any garden or landscaped area with no need for an outlet. It can run on solar and battery backup power.

Can a birdbath Fountain Run on solar power?

This outdoor solar power birdbath fountain is perfect for any garden or landscaped area with no need for an outlet. It can run on solar and battery backup power. In prime sunlight conditions, the pump will be powered by solar energy while the panel will also recharge.

How big is a solar outdoor fountain?

- **GREAT SIZE FOR ANY SPACE:** This solar outdoor fountain is 23" in diameter x 34.5" H and weighs 20 lbs. It has a 10" diameter base. The solar panel measures 7.5" W x 8.5" H. The recommended water capacity of this fountain is 3 gallons. Additionally, the pedestal is 16" H, the height to the bottom bowl is 21", and the top bowl has a 13" diameter.

Can a solar panel run a water fountain?

Disappointing as the fountain only runs when direct sunlight is hitting the solar panel. One cloud and it immediately turns off. The solar panel does not store energy to continue to run the fountain as I would have expected. You can run on battery power but you have to manually switch it over, it's not automatic.

How does a solar fountain work?

Boasting the Southern symbol of hospitality this solar fountain is made of lightweight and durable stone-grey polyresin and fiberglass and features a pineapple topper and two stacked basins. Water flows from the top pineapple into the central basin which fills and then overflows into the largest bottom

pool before recirculating.

What is a decorative outdoor water fountain?

A decorative outdoor water fountain makes a statement in your garden. Discover fountains featuring faux rock waterfalls, rippling streams and tiered wood barrels. Some are enhanced with LED lighting that illuminates the fountain after the sun sets.
