Where can I buy solar water features & garden fountains?

Welcome to PowerBee's exclusive collection of solar water features and garden fountains, where style meets sustainability. As the UK's Best Priced Supplier, we specialize in high-quality, eco-friendly water features designed to create a tranquil retreat in your outdoor space.

What are the best solar-powered garden fountains?

Floating Solar Fountains: Create a mesmerizing water display, perfect for ponds and pools. Rustic Stone Fountains: Durable and naturally beautiful features for any space. With thousands of satisfied customers across the UK, PowerBee has earned its reputation as the go-to provider for solar-powered garden fountains.

What are garden water features & outdoor fountains?

Garden water features and outdoor fountains are a peaceful feature for any outdoor space, adding charm, personality and a soothing sound and visual appeal. From classic garden fountains to eco-friendly solar water features, our collection offers a range of styles, many with LED lighting and the choice of either mains or solar powered options.

Do solar water features come with free UK delivery?

All our solar water features come with free UK delivery and our satisfaction guarantee. Browse our range to find the perfect feature for your garden. From stone water features that exude natural charm to modern, artistic fountains, our collection caters to every style and preference.

Are solar powered water features worth it?

It's also much cheaper than other powered water features - not only are solar powered water features free-standing and need no electrical installation but solar power is free. A solar water feature won't add to your electricity bills,

simply put it in a sunny part of the garden and enjoy it for years, without additional cost.

What types of solar water features are available?

Our range of solar water features includes a great choice of contemporary, metal, stone, themed, rock effect, woodland, and water feature styles and designs. So, if a solar water feature is better suited to your outdoor space, you won't have to miss out on any of our great garden water feature designs.
