Solar Recover Save Your Skin is not tested on animals.

Does solar recover Save Your Skin work on animals?

Solar Recover is a lotion delivered in water made with calendula, lavender and geranium oils, chamomile, and vitamin E for easy, non-greasy after sun care. Solar Recover Save Your Skin is not tested on animals. The only animals we test on are ourselves.

What is solar recover Save Your Skin?

Solar Recover Save Your Skin is made with all natural ingredients to refresh and hydrate your skin and provide sunburn relief. Save Your Skin is not only a summer essential, but is made to use all year round, even during the colder months as a spray moisturizer for dry skin due to dry heat and chlorine from the tap shower water.
