

Solar recovery spray reviews

Overview

What is solar recover?

Your new favorite after sun skin care that is perfect for all skin types - Great daily hydrating face and body mist for men and women! Solar Recover is a lotion delivered in water made with calendula, lavender and geranium oils, chamomile, and vitamin E for easy, non-greasy after sun care. Solar Recover Save Your Skin is not tested on animals.

What is solar recover Save Your Skin?

Solar Recover Save Your Skin is made with all natural ingredients to refresh and hydrate your skin and provide sunburn relief. Save Your Skin is not only a summer essential, but is made to use all year round, even during the colder months as a spray moisturizer for dry skin due to dry heat and chlorine from the tap shower water.

Does solar recover Save Your Skin work on animals?

Solar Recover is a lotion delivered in water made with calendula, lavender and geranium oils, chamomile, and vitamin E for easy, non-greasy after sun care. Solar Recover Save Your Skin is not tested on animals. The only animals we test on are ourselves.
