Overview

Are there free solar system printables for kids?

These solar system printables for kids are simple ways to supercharge learning fun. I love how you can easily encourage a love for science and space with this list of free printables featuring solar system (and space) themes.

How do you make a solar system printable?

If you chose the version of the printable that is outlines, use some markers or crayons to color the sun and planets for your solar system craft. Then cut out all of the pieces and fold each of the planets on the dotted line. Because the sun is larger than all of the planets, it takes up 2 pages.

What are Solar System printables?

These solar system printables offer a hands-on way for families to bond over their shared love of the solar system. These printable space jokes are hilarious and educational, sparking your child's curiosity about the universe. So, print them out to share at home, or surprise your kid with a joke in their lunch box.

What are free printable solar system cut outs?

These free printable solar system cut outs are a fun and simple way to really learn about our sun, planets and so much more. Do this space activity all at once or add the planets one at a time while you work through lessons on each, from Mercury to Pluto (yes, we included Pluto. did you hear it's a planet again?

We missed Pluto.).

How do you make a solar system coloring page?

Print two copies of the solar system coloring pages on white card stock. Using markers, crayons or colored pencils, color the sun and planets. Glue two pieces of each planet together with a piece of thread sandwiched between to make the solar system craft. Cut around each planet and the sun, leaving a

small white border on the outside.

What are some free educational resources for solar system fun?

These free educational resources include coloring pages, worksheets, space crafts, and flashcards to make learning about the planets (and more!) fun and engaging. I'm sharing our favorite resources for solar system fun. Get ready to watch as your child's interest in space and science grows with each printable activity they complete!
