

Solar victoria website problems

Overview

What do I need to know about the solar Victoria portal?

The portal is a one-stop shop for solar customers and solar professionals. It allows solar customers to apply for eligibility for a Solar Homes rebate and for solar professionals to manage their customers' rebate claims.

Does Victoria have an emergency backstop mechanism for solar power systems?

Rollout of Victoria's emergency backstop mechanism (VEBM) for solar power systems has been anything but smooth, and four-and-a-half months on there are still significant issues needing resolution. In October last year the VEBM requirement for new/upgraded/replacement residential rooftop solar came into effect.

What is solar Victoria?

Solar Victoria was established to deliver the Solar Homes Package. The package supports Victorian households to install solar panels and solar hot water systems, helping to reduce energy costs. For more information and to check eligibility, visit the Solar Victoria website.

How does solar Victoria work?

Registration is key for Solar Victoria to correctly register business and contact details, as well as bank account details to issue rebates. The portal also enables Solar Retailers to provide details of customer quotes, which Solar Victoria uses to assess the rebate amount and interest free loan amount that an applicant is eligible to receive.

Why do I need to register my business on solar Victoria?

Registration on the portal is essential to ensure that your business is captured as an approved retailer for the Solar Homes Program. Registration is key for Solar Victoria to correctly register business and contact details, as well as

bank account details to issue rebates.

What should retailers do if there is a solar Victoria Gap?

Retailers should continue to provide customers with quotes for the cost of the system and information of the benefit to the customer of the STC as they currently do. Retailers should also ensure that customers are informed of the Solar Victoria contribution and understand the out of pocket expenses should there be a gap.
