

# Solar water fountain kit

## Overview

---

Where can a solar fountain pump be used?

These solar fountain pumps can be used almost anywhere at home (backyard, garden, patio, pool and much more), as long as there is enough sun. □  
AWESOME VALUE WIRELESS WATER FOUNTAIN FOR OUTDOOR - Our birdbath kit comes with 1.8 W solar panel, pump, 9.5ft cord and sprinkler heads.

Who makes solar fountain pumps?

Our selection of industry-leading solar fountain pumps at rock-bottom prices are the perfect way to bring your new water feature to life, or replace an aging pump that is on its last legs. All of our solar water pumps are proudly manufactured by Silicon Solar. Since 1999 we've been helping customers transform their landscape. Manufacturer direct.

How does a solar bird bath fountain work?

In a solar bird bath fountain, pumps keep the water moving, attracting birds and preventing stagnation. The pump determines the type of water flow and water pressure, and in some situations, pump size is a key factor. Bird baths with included fixed pumps come with the pump already installed, so shoppers can't choose or adjust the pump size.

Where can I put a solar water fountain?

Another benefit of our solar-powered water fountain is that you can practically place it anywhere in your garden! As long as the panels are under direct sunlight, you can install our water fountain wherever you please. You can put the fountain under the shade, but you still need to find a sunny spot for the panel.

Can a solar water fountain be used as a garden decoration?

Our solar-powered water fountain is not just an ordinary garden decoration - you can use it to create a variety of water features as well! Install it higher

above the ground and use it as a bird bath. Put it in your pond to help with water circulation. You can even use it as addition to your hydroponics garden.

Why should you choose a solar fountain pump?

Crucial to the appearance of a well-designed garden is the lighting system and water features selected to enhance it. Our selection of industry-leading solar fountain pumps at rock-bottom prices are the perfect way to bring your new water feature to life, or replace an aging pump that is on its last legs.
