Where can I buy a solar powered Rock Falls water fountain?

Did you?

Shop Sunnydaze Outdoor Solar Powered Rock Falls Water Fountain with Battery Backup, Submersible Pump, and LED Lights - 22" at Target. Choose from Same Day Delivery, Drive Up or Order Pickup. Free standard shipping with \$35 orders.

How does a solar fountain work?

Enhance the natural elements in the garden, patio, yard, deck, or other outdoor space with this solar fountain. Water flows from the top level down to the bottom where it circulates with help from a submersible solar pump.

What does a solar fountain with battery backup include?

- **EVERYTHING IS INCLUDED:** This solar fountain with battery backup includes a pump and panel set with 3 LED lights located in the 2nd, 4th, and 5th levels. The solar technology with battery backup allows the fountain to run in and out of the sun.

Can you build a rock fountain with a solar water pump?

For all of our DIY customers, build your own rock fountain with a Solar Water Pump for day running, or night option with battery backup and LED lighting. There are so many choices, and the opportunity to find the perfect fountain for your home right here at Natures Solar Lights.

Can a solar Fountain Run on a battery?

The solar technology with battery backup allows the fountain to run in and out of the sun. • **SOLAR POWERED:** Direct sunlight is needed to charge the solar panel, but the battery can keep the pump running when the clouds come out. To run on battery mode simply press the Battery On/Off button. Warranty: 1

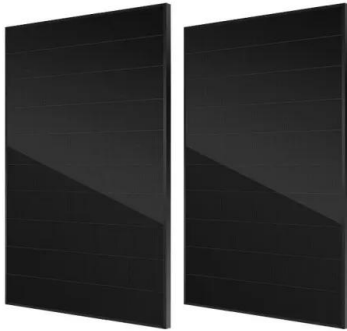

Year Limited Warranty.

How do you use a solar fountain?

Simply connect the pump to the tube in the fountain, connect the LED light cord and solar pump cord to the solar panel and place the panel in the sun. The rechargeable battery pack charges throughout the day (with or without the fountain running) so the gentle water sounds may be enjoyed in the evening as well.
