

Sunpower solar panels 40v battery

Overview

Does SunPower have a home solar battery?

SunPower has always been known for its top-tier solar panels – now, they're expanding their influence in the energy storage space. In 2019, the company launched their first home solar battery: the Equinox Storage system.

What is a SunPower equinox solar battery?

In 2019, the company launched their first home solar battery: the Equinox Storage system. Now rebranded as the SunVault Storage system, this battery and software solution, when paired with a SunPower Equinox solar panel system, enables you to keep your lights on during power outages and manage your home's electricity use.

Who makes SunPower solar batteries?

SunPower, founded in 1985, is a solar battery manufacturer based in Richmond. On this page, you can find a complete list of solar batteries from SunPower and compare models side-by-side. Quick facts about SunPower solar batteries in the EnergySage Buyer's Guide: Browse and compare solar batteries from SunPower on the EnergySage Buyer's Guide.

Are SunPower solar panels a good choice?

Its solar panels appealed to those looking to install a highly efficient solar panel system to integrate with other products, like a solar battery. From solar panels to hardware, SunPower most recently sold complete solar energy systems for residential and commercial applications.

Which solar panels work with sunvault batteries?

Most other batteries, like the Tesla Powerwall, can work with any solar panel brand. SunVault comes in 13kWh or 19kWh sizes and uses a top-quality Schneider Electric XW Pro inverter. This inverter can deliver 6.8kW of constant power and even 12kW for short times, making SunVault a strong battery

option.

How many kWh is a sunvault battery?

You can get a SunVault system in capacities of 13 kWh or 26 kWh, both with a power rating of 6.8 kW. These batteries are known as the SunVault Storage 13 and the SunVault Storage 26, respectively – you'll see them referred to as such in most of SunPower's documentation.
