

Turnkey solar container EPC service price in Germany

Overview

Who are the best solar EPC companies?

Goldbeck Solar GmbH: EPC company from Hirschberg Established in 2001, Goldbeck Solar GmbH boasts a stellar reputation for delivering turnkey solar EPC solutions. Their specialisation in large-scale solar projects has enabled them to accumulate an impressive installed portfolio capacity of over 1.5 GWp.

How does EPC work?

The project development usually ends with the handover of the development documents by the project developer to us, the EPC service provider, as part of the "technical due diligence package". Our EPC scope of work typically ends with documentation, acceptance and transfer to the operational phase.

How does the EPC scope of work end?

Our EPC scope of work typically ends with documentation, acceptance and transfer to the operational phase. Of course, we are still available to answer on any queries. And if something does not work as planned, we support you as a reliable partner and comply with our contractual obligations.
