Where to buy solar products & batteries?

However, if you are looking for the best and high-quality solar products and batteries, then you can buy them from the two sources of points: manufacturer and distributor. Furthermore, purchasing products or goods from manufacturers is called direct purchasing while buying products or goods from distributors is called indirect purchasing.

Where can I buy a battery?

You can buy batteries from the grey market, or from middlemen vendors that buy product from an aftermarket manufacturer. But when we can, we go straight to the source. "We try to work directly with manufacturers for our core products, so we monitor quality and make improvements to the product," Head said.
