

Wholesale price of portable solar generator in New Zealand

Overview

Why should you buy a portable power station in New Zealand?

New Zealanders love staying connected while they're out and about on holiday. Our range of portable power stations and solar-powered products ensures your devices are constantly charged on the go. Get the amps you need on-location and enjoy freedom from noisy generators. Shop for portable power solutions at Trade Tested online.

How do I set up a solar generator?

Setting up a solar generator means combining a power station and solar panels. When Jackery Portable Power Station and SolarSaga Solar Panels are combined, it becomes a complete solar generator kit that can charge all your small and large electrical devices. The solar panels are easy to install, and you can set them up within 60 seconds.
